

# Guardian Anytime enrollment and service

Informative, educational and easy to navigate

Guardian® offers an online solution that makes benefit enrollment, administration and employee education easier and more convenient for everyone.

## Reduce administrative burdens

- Work more efficiently with just a few clicks
- Allow employees to enroll and make updates, spending less time filling out forms and answering questions
- Enable employees to compare different plans and costs that best fit needs

## Manage benefits on one platform

- Manage enrollment eligibility<sup>1</sup>
- View, pay and recalculate bills
- Check claims status and reports
- Enroll new hires, add dependents and terminate members<sup>1</sup>
- Keep track of evidence of insurability status<sup>1</sup>

## Make benefit plan changes

- Waiting period
- Termination of coverage
- Dependent age limits
- Open enrollment period

## Download, print and email

- Benefit summaries
- Certificate booklets
- Member ID cards
- Enrollment kits
- Provide directories

## Access valuable online resources

- **Ideas and insights**  
Studies and white papers about ways to enhance benefit programs
- **Strategies and tools**  
Benchmark benefit programs, evaluate absence management activities or stream an enrollment process
- **News and data**  
Stay up-to-date on trends and developments, such as Health Care Reform
