

# We Support Our Customers

With offices throughout Ohio, our employees live, work and shop in your community.

## Introducing Mutual Appreciation

Medical Mutual insures accounting firms to zoological societies and everything in between. Whether retail or wholesale, if you have a product or service to sell to the general public, your business is included in Mutual Appreciation.

When you become a Medical Mutual customer, our 2,400 employees become your customers. Through Mutual Appreciation, we encourage our employees to frequent the businesses that do business with us. More than 7,000 businesses already benefit from this program where every month our employees spend more than \$1 million with our customers. Mutual Appreciation is our way of keeping your employees, and your bottom line, healthy.

## Mutual Appreciation works because:

- It's easy for our employees to find your business using our convenient mobile app and searchable database.
- Our employees are rewarded for being your customer through incentives, contests and promotions.
- We market your business to our employees.
- You can promote your business directly to our employees at offices across Ohio.
- We track and share your results so you can see exactly how much our employees appreciate you.
